For Immediate Release

Sewer Construction Update

Chatham – Sewer construction Contractor continues two crews working simultaneously in Chatham, weather permitting.

For the week of January 8-12 the first crew will complete work on Independence Lane and then move to The Cornfield. Sewer installation on The Cornfield is expected to continue the week of January 19th.

For the week of January 8-12 the 2nd crew will continue work on Inlet Road, moving to Wineberry and then Shattuck the week of January 15th.

As always schedules are subject to change due to weather.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Roads affected by sewer construction will be open nights, weekends, and holidays to all traffic.

Normal work hours are 7 AM to 5:00 PM Monday to Friday, weather permitting. Work may extend to 7 PM in special circumstances

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
