For Immediate Release

Sewer Construction Update

Chatham – Sewer construction Contractor continues working multiple crews simultaneously in Chatham, weather permitting.

For the week of February 12th – February 16th crew #1 will continue work on Inlet Road for gravity sewer installation. Crew #2 will continue working on Absegami Run.

For the week of February 19th – 23rd crew #1 will continue on gravity sewer installation on Inlet Road. Crew #2 is expected to continue work on Absegami Run. Crew #3 will return and will be working on drainage installation on Oyster Pond Furlong.

As always schedules are subject to change due to weather.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Roads affected by sewer construction will be open nights, weekends, and holidays to all traffic.

Normal work hours are 7 AM to 5:00 PM Monday to Friday, weather permitting. Work may extend to 7 PM in special circumstances

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
