**For Immediate Release**

**Sewer Construction Update**

Chatham – Sewer construction Contractor continues working multiple crews simultaneously in Chatham, weather permitting.

For the week of March 12<sup>th</sup> – March 16<sup>th</sup> Crew #1 will continue work on Earl's Way gravity sewer installation. Crew #2 will continue with water main installation on Tabitha Terrace; Wednesday shifting to water services on Wheldon Way. Crew #3, ongoing drainage installation on Oyster Pond Furlong.

For the week of March 19<sup>th</sup> – March 23<sup>rd</sup> Crew #1 will continue gravity sewer installation on Earle's Way and Jane's Way. Crew #2 TBD.

The Contractor will also be performing testing, invert installation, raising castings, and general cleanup at various locations.

As always schedules are subject to change due to weather.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Roads affected by sewer construction will be open nights, weekends, and holidays to all traffic.

Normal work hours are 7 AM to 5:00 PM Monday to Friday, weather permitting. Work may extend to 7 PM in special circumstances

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
