For Immediate Release

Sewer Construction Update

Chatham – Sewer construction Contractor will be reducing down to one crew, weather permitting.

For the week of March 26th – March 30th Crew #1 will continue work on Earl's Way and Jane's Way gravity sewer installation.

For the week of April 2nd – April 6th Crew #1 will continue gravity sewer installation on Earle's Way and Jane's Way then move to Shattuck Lane.

For the week of April 9th – April 13th Crew #1 will continue sewer installation on Shattuck Lane.

The Contractor will also be performing testing, invert installation, raising castings, and general cleanup at various locations.

As always schedules are subject to change due to weather.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Roads affected by sewer construction will be open nights, weekends, and holidays to all traffic.

Normal work hours are 7 AM to 5:00 PM Monday to Friday, weather permitting. Work may extend to 7 PM in special circumstances

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
