For Immediate Release

Sewer Construction Update

Chatham – Sewer construction Contractor will continue with one primary crew, weather permitting.

For the week of April 16th – April 20th Crew #1 will be installing sewer laterals on Janes Way and working on the new water main on Janes Way.

There will also be installation of a sewer lateral on Old Queen Anne Road that will require a shutdown of Old Queen Anne Road between Rt 28 and Stepping Stones Road. During this period there will be detour in place using Heritage Lane; this is expected to take one day.

There will also be installation of a sewer lateral on Barnhill Road adjacent to Barnhill Lane. One lane of traffic will be maintained; again this is expected to take one day.

For the week of April 23rd – April 27th Crew #1 will finish work on Janes Way and move to Tabitha Terrace to begin gravity sewer installation.

The Contractor will also be performing testing, invert installation, raising castings, and general cleanup at various locations.

As always schedules are subject to change due to weather.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Roads affected by sewer construction will be open nights, weekends, and holidays to all traffic.

Normal work hours are 7 AM to 5:00 PM Monday to Friday, weather permitting. Work may extend to 7 PM in special circumstances

We encourage you to visit the sewer construction project web site for updated schedule

information at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment. #
