For Immediate Release

Sewer Construction Update

Chatham – Sewer construction Contractor will continue with one primary crew, weather permitting.

For the week of May 29th – June 1st Crew will be installing gravity sewer on Shattuck Place.

For the period of June 4th – June 22nd Crew(s) will be working on gravity sewer, sewer laterals, and water main and services on Shattuck Place, Shattuck Lane, Grist Mill Lane, Tide Mill Lane, Wind Mill, and Wineberry Way.

The Contractor will also be performing testing, invert installation, raising castings, and general cleanup at various locations.

As always schedules are subject to change due to weather.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Roads affected by sewer construction will be open nights, weekends, and holidays to all traffic.

Normal work hours are 7 AM to 5:00 PM Monday to Friday, weather permitting. Work may extend to 7 PM in special circumstances

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
