### For Immediate Release

Chatham – C.C. Construction, Inc. will continue work on the Oyster Pond Sewer Extension, Phase 1C – 3 & 4 Project, and Robert B. Our Co., Inc. will continue work on Phase 1D-1, Chatham-Harwich Regionalization Connection Project, as outlined below. Work this spring will include force main installation, gravity sewer installation, limited water main work, and wastewater pump station work.

### Work for the week of April 27<sup>th</sup> – May 1<sup>st</sup>:

#### 1C – 3 & 4:

- Continue sewer service laterals work on Heritage Lane
- Commence gravity sewer work on Smith Street
- Sewer testing expected in Barbara Drive, Ethelma Drive, and Carolyn Drive areas

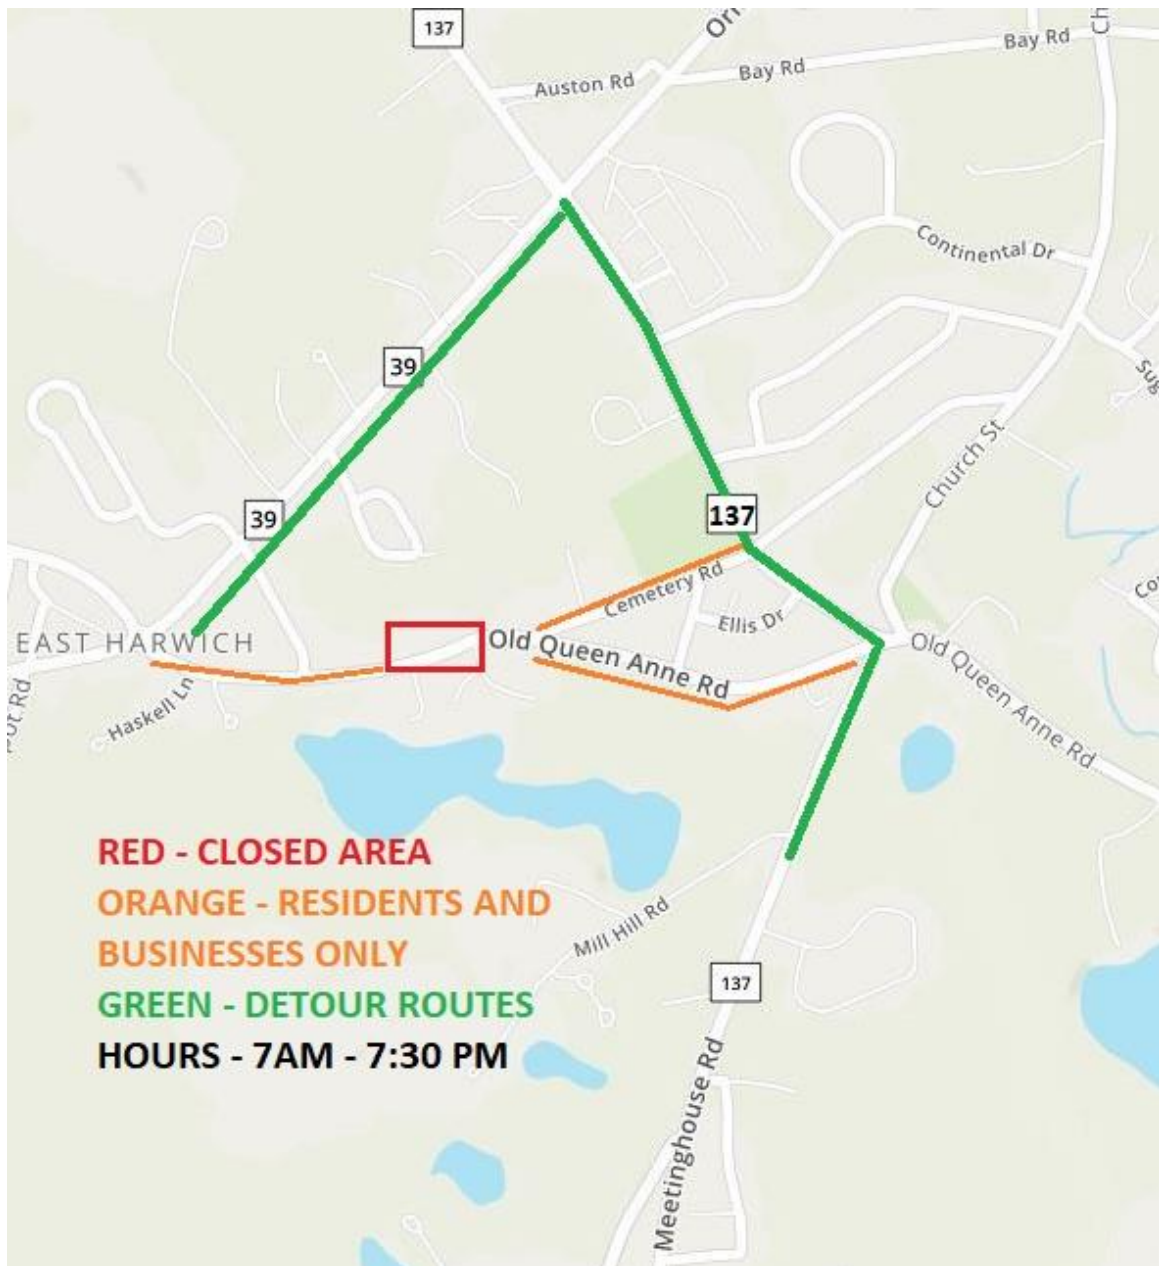

#### 1D – 1:

#### **\*DETOUR\***

Note – work hours will be extended from 7 AM to 7:30 PM for work on Old Queen Anne Road to expedite work.

- Continue gravity sewer installation on Old Queen Anne Road heading west towards Olkland Way

**\*\*Detour \*\*** - Old Queen Anne Road from Old Queen Anne Road to Rt. 39 round-a-bout will be closed. Detour route will be Old Queen Anne Road to Rt. 137 to Rt. 39 return to Old Queen Anne Road at the round-a-bout. See figure below:

- Continue working at pumping station site intermittently (Meetinghouse Road)
  - Road will be open, expect delays in the vicinity of the pumping station site

#### **One Week Look Ahead (5/4 – 5/8):**

##### **1C – 3 & 4:**

- Commence gravity sewer work on Bay View Street and, tentatively, Waveland Avenue
- Continue sewer service laterals work on Heritage Lane
- Tentatively commence low pressure sewer work on Snow Lane
- Sewer testing expected in Barbara Drive, Ethelma Drive, and Carolyn Drive areas and tentatively in Perch Pond Road and Jeanette Drive/Road areas

**1D – 1:**

**\*DETOUR\***

Note – work hours will be extended from 7 AM to 7:30 PM for work on Old Queen Anne Road to expedite work.

**\*\*Detour\*\*** - Old Queen Anne Road from Old Queen Anne Road to Rt. 39 round-a-bout will be closed. Detour route will be Old Queen Anne Road to Rt. 137 to Rt. 39 return to Old Queen Anne Road at the round-a-bout **See figure above.**

- Continue working at pumping station site intermittently (Meetinghouse Road)
  - Road will be open, expect delays in the vicinity of the pumping station site
- Commence completion of force main at WPCF

Please note that this is a projected schedule and will be adjusted accordingly based on the Contractor’s actual progress and the weather. On an as needed basis auxiliary crews will be performing testing, installing inverts, raising castings, paving, and performing general cleanup at various locations throughout the project area.

Roads will be passable at the end of each day. Police Details and Contractors will work with residents to ensure their needs for access are addressed.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Normal work hours are 7:00 AM to 4:00 PM Monday to Friday, weather permitting, unless otherwise noted.

We encourage you to visit the sewer construction project web site for updated schedule information and weekly press releases at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
