For Immediate Release

Chatham – Robert B. Our Co., Inc. will be continuing work for the Phase 1D-1: Chatham-Harwich Regionalization Connection Project as outlined below. Work this summer will include intermittent pump station work, with minimal impact to traffic flow. Additional work this summer includes the minor operations detailed below:

Work for the week of June 29th – July 3rd:

1D – 1: *Construction will conclude at 12:00pm (noon) on 7/2 and no work on 7/3*

One Lane Alternating Traffic

- Continue sanitary sewer pipe and manhole testing on Old Queen Anne Road between Rt. 137 and Olkland Way

Please note that this is a projected schedule and will be adjusted accordingly based on the Contractor's actual progress and the weather. On an as needed basis auxiliary crews will be performing testing, installing inverts, raising castings, paving, and performing general cleanup at various locations throughout the project area.

Roads will be passable at the end of each day. Police Details and Contractors will work with residents to ensure their needs for access are addressed.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Normal work hours are 7:00 AM to 4:00 PM Monday to Friday, weather permitting, unless otherwise noted.

We encourage you to visit the sewer construction project web site for updated schedule information and weekly press releases at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
