For Immediate Release

Sewer Construction Update

Chatham – Sewer construction Contractor continues working multiple crews simultaneously in Chatham, weather permitting.

For the week of January 22-26 the first crew will continue work on The Cornfield. The 2nd crew will be working on Oyster Pond Lane installing the low pressure sewer main line. A 3rd crew will begin drainage installation on Inlet Road.

For the week of January 29 – February 2nd the 1st crew is expected to complete work on The Cornfield and move to Village Landing. The 2nd crew is expected to complete Oyster Pond Lane and move to Oyster Bluff. The 3rd crew will continue drainage installation.

As always schedules are subject to change due to weather.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Roads affected by sewer construction will be open nights, weekends, and holidays to all traffic.

Normal work hours are 7 AM to 5:00 PM Monday to Friday, weather permitting. Work may extend to 7 PM in special circumstances

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamscproject.info> and the Town's website for additional information regarding the CWMP and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
